Welcome to LASA HOTEL

Established 50 years ago, the LASA Group is internationally known as one of the leading experts in Home-Textiles. We design and manufacture innovative and sustainable products for the home and hotel industry.

Today we are one of the main European textile groups, with 850 employees, in an industrial area of approximately 50,000 m² and an approximate turnover of 70 million euros. LASA Group operates through its own offices in Spain, Germany and in the USA. We have also commercial offices in France; Italy; United Kingdom; Switzerland and Japan.

Today LASA HOTEL represents our strong commitment to this professional products range, supported by decades of home textiles experience and serving with distinction the best and most demanding customers worldwide.

BATH

We are always striving to provide the highest quality, softness and durability. We offer a wide range of products for Bath, from plain to Jacquards. These can be customised on its confection, but also with embroideries as per customer expectations.

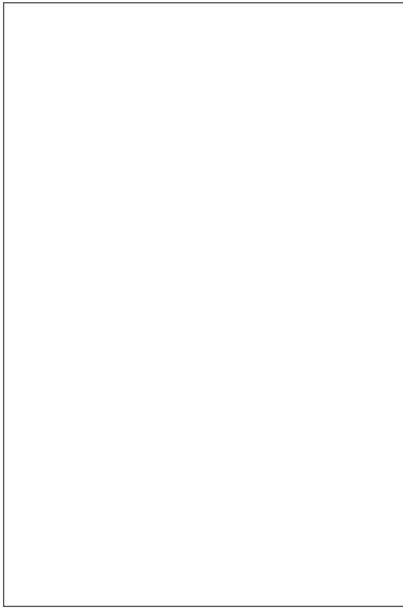

Our products are being produced with twisted yarns and double stitching, complying with the severe conditions from industrial laundry industry.
